

Dear friend of Phoenixville Free Clinic,

We'd like to invite you to PXV Field Day: the fun Phoenixville event that takes you back to your elementary school days!

We'll have tug of war and other grownup games, food, and BYO beverages. Participants can register as a team or just come to watch, hang out, and enjoy the day!

This 4th annual community event raises funds to support Phoenixville Free Clinic. Phoenixville Free Clinic provides comprehensive, quality healthcare to uninsured members of the Greater Phoenixville community, which includes primary and specialty care, lab tests, medications, and diagnostic testing, to anyone in need. 100% of the funds raised will benefit this important mission.

*Here's where you come in. To make this event a success, we're looking for generous sponsors to support this event. Not only will you have a chance to get your business or message in front of our community and participants, but you'll also be making a commitment to your community by providing its most vulnerable residents with comprehensive healthcare. Please join us.*
